11-Feb-2006	8	<p>A resolution to remove any reference to the Lioness Program from the Constitution and By-Laws of M.D. 'A'. □ Be it resolved that By-Law X District 'A' Lioness Program be deleted from the Constitution and By-Laws of M.D.'A'. □ RATIONAL: It has been confirmed by both the M.D.'A' insurance carrier and the M.D.'A' Legal Counsel that M.D.'A' Lions are in a potentially unprotected Liability position relating to insurance coverage because of the reference in our Constitution and By-Laws to the M.D.'A' Lioness structure. The issue arises due to the fact that Lions Clubs International does not recognize The Lioness Structure beyond the Club level and therefore Liability insurance over and above the General Insurance coverage provided by Lions Clubs International through the Sponsoring Lions Clubs is not available at the Multiple District Lioness level. □ As a result, M.D.'A' Lions have been advised by our Legal Counsel to remove the reference to the M.D.'A' Lioness from the M.D.'A' Constitution and By-Laws. □ Motion by Governor Day, seconded by Governor Osborne to have this item on the ballot at the MDA Convention. Reports of the meetings shall be made to the District Governor and his/her Cabinet through the Zone Chairperson. □ Be it resolved that Article III section 4 be amended by deleting the following: three (3). □ It would now read: A meeting of all the Clubs in a Zone shall be designated as a Zone Meeting (District Governor's Advisory Committee) and each Zone Chairperson will hold meetings during his/her term of office, the date and place to be fixed by himself/herself. He/she shall be in active charge of the meeting under the supervision of the Region Chairperson. The Zone meeting (District Governor's Advisory Committee) shall be arranged to make it possible and convenient for all members of the Clubs in the Zone to attend this meeting. □ Be it resolved that Article VIII section 2 be amended by deleting the following: three (3). □ It would now read: The Zone Chairperson of each Zone shall convene meetings of the Zone during the Zone Chairpersons term of his/her Office, and the Zone Chairperson shall be Chairperson of these meeting. □ Motion by Governor Day, seconded by Governor Hodgson to have this item on the ballot at the MDA Convention. Section 7 c 2 would then read, As Cabinet Secretary and/or Treasurer for a full term or major portion thereof. □ Rational: To conform to Lions International requirements for the position of Region Chairperson. □ Motion by Governor Johnson, seconded by Governor Hughes to have this item on the ballot at the MDA Convention. Provided however, each respective District Governor shall have the authority to determine whether the position of Region Chairperson will be utilized during his/her term. In event of a vacancy arising in the office of Vice District Governor, the District Governor shall convene a meeting of the members of the existing Cabinet as provided for in the International Constitution and By-Laws and all Past International Officers who are members in good standing of a chartered Lions Club in good standing in the District. It shall be the duty of the attendees at this meeting to appoint a qualified club member as Vice District Governor for the remainder of the term. In filling said vacancy, it shall be the duty of the District Governor, or if not available, the most recent Past District Governor who is available, to send out invitations to attend said meeting and it shall also be his/her responsibility to preside as Chairperson of the meeting.
